## RENTAL AGREEMENT

PART II of III:

TENANT AGREES AS FOLLOWS:

---RENTS: Pay to LANDLORD as rent the sums listed above in advance by the dates specified.

---CHECK-IN, CHECK-OUT: TENANT agrees that rental commences no earlier than 4PM on the day and date indicated on the confirmation sheet. No early check-ins allowed to permit ample cleaning time. TENANT agrees to vacate the premises not later than 11AM on check-out day, remove all trash and place in sealed plastic garbage bags in the proper outside receptacles and leave the home in a tidy, orderly manner. Late check outs will be charged \$200/hour.

---MAXIMUM OCCUPANCY: Only the maximum number of people listed above and those specifically registered in this document shall occupy the premises at any time. Children are counted in total occupancy unless they are under age two and normally sleep in a crib. TENANT visitors must be approved and registered with signed releases on file to be allowed access to the property. At no time shall there be more than 12 people on the property without specific special permission (additional fees may apply). Over-occupancy or having unregistered guests is a MATERIAL VIOLATION of your vacation lease agreement and will cause an immediate lease termination, expedited eviction, forfeiture of all sums and additional charges of \$250pp/per day plus costs of breach and enforcement.

---HOUSEHOLD SUPPLIES: Landlord will provide only an INITIAL supply of hand soap, dishwashing detergent, laundry detergent, paper towels, toilet paper and garbage bags. Additionally a variety of spices and cooking ingredients may be available for TENANT's use. All other household and cooking supplies needed shall be the responsibility of the TENANT. Clean linens, bath towels and beach towels will be provided upon your arrival for the number of registered occupying guests. Laundry facilities are available throughout your stay.

---NOT INCLUDED: Not included in this lease is daily maid service, household supplies, baggage handling, long distance charges, pay per view charges, auto rental, food, liquor, laundry, personal items, excessive wear and tear, or excessive cleaning upon departure (i.e. stained or soiled cushions, upholstery, carpet shampooing, etc.)

---CHILDREN: All children shall be supervised at all times and not be allowed to enter the pool without CONSTANT adult supervision. THERE IS NO LIFE GUARD ON DUTY. Severe injury or death could result from failure to properly supervise the children. Additionally, children are not to play in the landscaping, the fish ponds or with any of the furnishings. This home is NOT CHILD PROOF and requires children to be constantly supervised. TENANT alone is responsible and fully assumes responsibility for child safety.

---HOUSE PARTIES: There shall not be any "house parties" on the Premises, there shall never be more than 12 persons on the Premises at any time without written landlord approval, nor shall TENANT's

visitors or children ever be left alone on the Premises. No unregistered guests are permitted anywhere on the property at any time.

---HOUSE RULES: All guests agree to abide by reasonable requests of the LANDLORD including but not limited to the house and pool rules. No COMMERCIAL ACTIVITIES are allowed on the premises at any time and no signs, structures or banners shall be erected or displayed.

---DISTURBANCES: TENANT acknowledges that the Premises is part of a quiet peaceful gated community and will be highly considerate of the neighbors. The Premises shall not be used in such a manner as to generate noise (including loud music) which will disturb neighbors, nor will neighbors be harassed or bothered in any manner. Absolute quiet time begins at 10 P.M. until 7 A.M. daily. Tenant agrees to pay any fines associated with disturbance of the neighbors as imposed by the Homeowner's Association.

---NO-SMOKING: Smoking is strictly prohibited anywhere in the home and is grounds for immediate eviction.

---PETS: of any kind are NOT allowed anywhere on the premises.

---VEHICLES: No more than (5) vehicles shall be parked on the premises at any time. Parking is prohibited on the street AT ALL TIMES. (The garage is private and specifically NOT part of the lease)

---LOCKED OWNER'S CLOSETS/GARAGE: It is expressly agreed that the locked closets and the garage are private and for the sole use of the owners. These areas are absolutely NOT included in this lease.

---ALTERATIONS: No alterations shall be made to the premises, nor locks installed anywhere.

---WEAR & TEAR: TENANT agrees to maintain the premises in the same condition as when received and will not allow any waste, misuse or neglect. Should any waste, misuse or neglect occur on the leased premises, it will be the sole responsibility of the TENANT and TENANT agrees to promptly pay the reasonable costs thereof.

---CLEANLINESS: Hawaii is a warm humid tropical environment. No food should ever be left out unsealed. All surfaces shall be kept void of food crumbs and grease. Not doing so will immediately attract pests such as ants, flies, cockroaches, mice, and mongoose. The premises shall be kept in as clean, healthy and safe as conditions of the Premises permit and shall cause no unsafe or unsanitary conditions. No trash or garbage will be allowed to accumulate anywhere on the premises. All garbage shall be promptly sealed in plastic garbage bags to help prevent smell, decay, flies, ants and cockroaches.

---POOL RULES: TENANT has reviewed the "Pool Rules" and agrees to abide by them as a part of this agreement. Tenant agrees to keep pool gates closed at all times.

---FURNISHINGS: TENANT agrees not to move or alter any of the furnishings and shall use them only for the purposes intended. TENANT shall respect and protect all furnishings and decor and understands that many of the furnishings are unique and valuable. TENANT shall be solely responsible for the replacement value of any damaged or destroyed furnishings on the leased Premises. Care shall be taken not to damage the WHITE SEAT CUSHIONS with wet or soiled clothing or swimsuits. Beach towels provided shall be placed on all cushions to prevent soiling from suntan oils.

---NEEDED REPAIRS: That should any repairs be necessary, the Landlord or the designated property manager will be notified as soon as possible.

---FAILURE OF A SYSTEM, APPLIANCES OR AMENITY: In the event the Premises sustains a failure of a utility, system, amenity or appliance - including but not limited to water, sewer, electrical, mechanical, or structure systems: pool, waterfall, spa, electronic or entertainment equipment or service, or any appliance- neither the Landlord, Owner, their employees, agents, or contractors, or property manager shall be liable to TENANT in damages and no refunds will be given for such failures. However, the Landlord, upon being notified of any malfunction will make a reasonable effort to promptly repair or replace the failed system or advertised equipment. The salt air from the ocean inflicts tremendous strain on systems, equipment and appliances. This coupled with the difficulty of getting parts to this remote island can be time consuming and frustrating. TENANT understands and accepts the fact that this property is leased for its tropical appeal and not its modern conveniences, and therefore some systems, amenities and appliances may not be fully functional at all times and it may be unreasonably difficult or impossible to get a malfunctioning system, amenity or appliance operating within the lease period.

---KEYS/GATE OPENERS: Entry instructions will be mailed upon receipt of final payment.

---TENANT'S PERSONAL PROPERTY: TENANT'S personal property and effects are the TENANT'S sole responsibility throughout the tenancy. LANDLORD'S insurance will not cover TENANT'S personal property and TENANT hereby agrees to carry his/her own insurance on such property and personal effects. All personal property of the TENANT on said premises shall remain his sole responsibility and risk, and the Landlord shall not be liable for any loss or damage due to theft, or loss of such personal property arising from any acts or negligence of any other person, nor from the leaking of the roof, or from bursting, leaking, or overflowing of water, sewer, or from plumbing fixtures, or from the handling of electrical wires or fixtures, or from any cause whatsoever, nor shall the Landlord be liable for any injury to the TENANT or other person in or about the premises, the TENANT expressly agreeing to save the Landlord harmless in all such causes and events.

---TIKI TORCHES: Unfortunately due to liability we are unable to offer the use of the gas Tiki torches.

---UNAVAILABILITY OF PREMISES/DUPLICATE BOOKING/OTHER: If for any reason the Landlord is unable to provide the Premises in a fit and habitable condition or make the Premises available for this lease or any part of this lease, the LANDLORD shall either A) provide and TENANT shall accept a substitute reasonably comparable property and LANDLORD shall pay any additional charges that would be due in excess of the rate for the original booking OR B) refund all rents and fees paid for the original booking together with a 15% (of base rental) OVERRIDE and cancel the lease with no further liability. It is hereby agreed that these are the only two alternatives and the sole remedy for any and all damages, liability or inconvenience arising out of LANDLORD's failure to make the Premises available.

---ACTS OF GOD/CONSTRUCTION NOISE: Landlord shall not be liable for events beyond its control which may interfere with TENANT's occupancy, such as Acts of God, acts of governmental agencies, fire, earthquake, tsunami, strikes, war, inclement weather and construction noise from nearby sites. NO REBATE OR REFUND will be offered in these circumstances.

---INSURANCE: TENANT agrees that Landlord shall not be liable for travel disruptions, TENANT's personal property or illness or injury. TENANT is strongly encouraged to purchase a Vacation Insurance Policy. Please ask us for referrals.

---RIGHT OF ENTRY: The Landlord, his agents or representatives shall have the right to enter the Premises during reasonable hours to inspect, make alterations and/or repairs, and to provide maintenance as Landlord may deem appropriate. TENANT acknowledges that routine care taking, pool service and grounds maintenance will occur periodically during the lease period.

---ABANDONED PERSONAL PROPERTY: When the TENANT vacates or abandons the property any personal property left behind on the premises shall be deemed abandoned by the TENANT and LANDLORD shall not be held responsible. During TENANT's occupancy TENANT is solely responsible for the security of all of TENANT's personal property and the LANDLORD shall not in any way be liable for loss, theft or damage of the same. Additionally, TENANT shall however, be responsible for LANDLORD's personal property under the TENANT's control by virtue of this lease. If you leave something behind we will make every effort to locate it and return it to you C.O.D. Items unclaimed after thirty days will be donated to charity.

---DAMAGE/SECURITY DEPOSIT: TENANT shall leave the premises in the same condition it found it, reasonable wear and tear excepted with all garbage sealed and placed in the provided receptacles. Deductions to the deposit may be made for charges including but not limited to actual damages caused by TENANT, broken items, lost key charge, excess phone or cable charges, excessive cleaning charges including but not limited to dirty dishes, carpet stains, seat cushion stains, stained linens, moved furniture, early/late fees, unregistered guests or visitors, pets, fines imposed and/or costs of enforcing this lease. Within 30 days following the end of the tenancy the Damage/Security Deposit will be applied, accounted for or refunded to the TENANT. If the TENANT has provided a credit card, the TENANT hereby authorizes the LANDLORD to charge these charges to his/her account. TENANT shall report any damage noted upon arrival to avoid any Damage/Security Deposit losses. DEPOSIT REFUNDS will ONLY be made by CHECK mailed to the address listed in the booking. Please update your address if it changes to receive your REFUND promptly.

---RELEASE OF LIABILITY/HOLD HARMLESS: Each TENANT shall review and sign a comprehensive "Release of Liability" agreement and acknowledge that it is expressly made a part of this agreement and agreement is a precondition to this lease.

---INDEMNIFICATION AND HOLD HARMLESS: TENANT agrees to indemnify and hold harmless Owner and Landlord, principals and their representatives from and against any liability for personal injury or property damage sustained by any person (including TENANT's guests) as a result of any cause, unless caused by the gross negligence or intentional willful act of the Owner or Landlord.

---ASSIGNMENT: This lease may not be assigned or any portion of the Premises sublet. Any attempt to do so shall be considered a material breach.

---SURRENDER OF PREMISES: TENANT covenants and promises to surrender the premises in as good and the same condition as the commencement of the rental period, reasonable wear and tear excepted; and to reimburse Landlord the amount, including reasonable attorney's fees, for all other damages. Soiling and/or discoloration of the seat cushions is NOT considered reasonable wear and tear and will be billed as additional cleaning or damage.

---EXPEDITED EVICTION: If TENANT (i) holds over in possession after the TENANT's tenancy has expired; (ii) commits a material breach of any provision of this agreement (including any addendum hereto) that according to its terms would result in the termination of TENANT's tenancy; (iii) fails to pay rents as required by this agreement; or (iv) has obtained possession of the Premises by fraud or misrepresentation, a MATERIAL BREACH has occurred and the TENANT agrees to an expedited eviction as the law allows.

---LAWS: That no laws, statutes or ordinances of a jurisdictional government agency will be violated on the premises nor the Premises used for any such purpose.

---ENFORCEMENT OF LEASE: That should LANDLORD incur any expenses in enforcing the terms of this Lease, TENANT shall promptly reimburse LANDLORD 100% for such expenses as LANDLORD shall deem reasonable.

---DISPUTES: This lease shall be governed by and interpreted in accordance with the laws of the State of Hawaii and County of Hawaii. Any action relating to this agreement shall only be instituted and prosecuted in courts in Hawaii. TENANT specifically consents to such jurisdiction and to extraterritorial service of process. Should Landlord be required to take any action to enforce or recover under this agreement or should the Tenant initiate any legal proceeding against the Landlord (the Released Party), the tenant shall pay the Landlord's costs of arbitration and litigation including without limitation, reasonable attorney's fees.

---DEFAULT BY TENANT: TENANT agrees that every condition, covenant and provision of this lease is material. A breach of any of these will constitute a material breach giving the Landlord the right to terminate this lease, the right to immediate possession of the premises, the forfeiture of all deposits and the right to all damages including but not limited to costs of enforcement and reasonable attorney's fees.

---SOLE AGREEMENT: This document including any attachments incorporated by reference herein constitute the entire and sole agreement between the Landlord and TENANT respecting the leased Premises, the leasing of the Premises to TENANT, and the lease term created under this Lease, and correctly sets forth the obligations of Landlord and TENANT to each other as of its date. Any oral or verbal agreements or representations respecting the leased premises or their leasing by the Landlord to TENANT not expressly set forth in writing in this agreement are null and void. Only written agreements shall constitute this lease.

---CHANGES: The parties hereto further agree that any changes to this agreement are to be in writing to be enforceable or otherwise are null and void.

---FAX/ELECTRONIC: Copies and signatures by facsimile or electronics are considered valid. The parties shall retain the originals for verification.

---DEFINITIONS: Wherever "Landlord" is used it is intended to mean Landlord, Owner, and their agents and employees. The use of the word TENANT shall include both singular and plural.

---SEVERABILITY: If any part of this agreement is found by a court of competent jurisdiction to be unenforceable than the remainder of the agreement shall remain in full force and effect.
